REMARKS

This is in response to a final Office Action mailed June 28, 2010. Reconsideration is respectfully requested for the following reasons.

Applicant gratefully acknowledges allowance of claims 1-9, 22-24, and 26, and also the allowability of objected to claims 27 and 28. The subject matter of claim 27 has been incorporated into its base claim 10, and the subject matter of claim 28 has been incorporated into its base claim 25. Correspondingly, claims 27 and 28 have been cancelled. Accordingly, based upon the recent Office Action, claims 10 and 25 are now in condition for allowance. Further, dependent claims 11-21 are dependent on base claim 10 and are also now believed to be in condition for allowance.

Accordingly, based upon the recent Office Action, all claims are now believed to be in condition for allowance and Notice of Allowability is earnestly solicited.

Respectfully submitted,
